Open Workshops

October 2018
- February 2019

Open for everyone

Welcome to our free open workshop programme for autumn to spring. These sessions are an opportunity for you to connect with people where you live and work, and to reflect and learn about how to build more inclusion and a greater sense of belonging in Gloucestershire. Our aspiration is that these learning experiences feel safe, fun and inspirational - we invite you to come along.

More learning opportunities with Barnwood

Action Learning Set

Barnwood Trust is looking to bring together a small group of practitioners who are engaged in applying innovative strengths-based approaches to issues in health, social care, housing and community safety, as part of an Action Learning Set. Why not get in touch to find out more?

Stewardship Circle

The Stewardship Circle is a leadership development programme which creates a safe space for leaders from across the social sector to think about the role they could play in enabling community-led action. Work together with other leaders to deepen understanding of the conditions that enable people to make social change at a local level.

Learning Circle for Community Building Practitioners

This Learning Circle brings together people who are working directly in communities and who play a critical role in supporting residents to build connections with neighbours. Join the circle to discover how best to encourage community-led ideas to emerge, with practical tools and techniques to support your practice.

To find out more about any of these opportunities and to express your interest in joining, please email learning@barnwoodtrust.org, call the learning team on **01452 634018 or visit www.barnwoodtrust.org/learning**
