

Holidays and Playschemes Grant programme 2019

Towards a group holiday, day trip or activity/playscheme in 2019

Barnwood Trust is dedicated to supporting the people of Gloucestershire by providing help for those who are living with complex disabilities. To apply for a grant under this scheme, your organisation must normally be based in Gloucestershire and provide a service which directly benefits the quality of life of individuals living in this County who are affected by long term disability or mental health conditions. This includes day care, respite care, welfare services, social and recreational activities, pre-employment training and equipment.

The Trust is only able to consider applications to this grant programme from Registered Charities, Registered Not-for-Profit Organisations or Statutory Organisations.

Under the Holidays and Playschemes Grant Programme we are able to consider applications from organisations with a demonstrable track record of providing holidays, trips or playschemes for Gloucestershire residents with a disability or a mental health condition.

Please note, that the Trust is only able to consider a contribution towards these activities.
