Our new membership group. Tell us what you think.

We are Barnwood Trust. Our work supports people in Gloucestershire who have a disability and people who have a mental health challenge.

We want to change things to make life better for people living here.

We think it’s really important that we involve and listen to as many people as we can.
We want there to be more ways for people who have a disability or mental health challenge to:

- meet with other people
- find out what is happening in Gloucestershire
- work with us
About our new membership scheme

We are thinking about asking people to be members of our group.

At the moment we are calling it a membership scheme.

We will set up our membership scheme in spring 2022. Everyone will be able to join and be a member.

We want our membership scheme to:

- help as many people as possible to be part of our work
- look at the best way to help members get involved in our work
• listen to what people say

• work in the best way

We are talking to lots of different people about our membership scheme.

We will listen to what people tell us. It will help us decide what to do.
What do you think?

We want to know what you think about our membership scheme.

We are asking people:

- What would make you want to join?

- What should we call our membership scheme?

- How do you want us to let you know what is happening?

- What will make it easier for you to join and help us with our work?
Testing how our membership scheme will work

This Autumn 2021 we are going to set up a small group.

Our small group will try our membership scheme and help us check what works well.

We will use what we find out to help set up our big membership scheme.

If you want to take part in testing our membership scheme get in touch with us.
