

My Pandemic

   
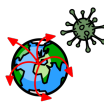

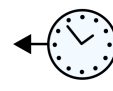

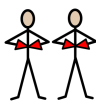

Stories of living through lockdown

   
Do you live in Gloucestershire?

      
Are you a disabled person or someone with a mental health challenge?

          
Would you like to tell others about how you have experienced

  
life through lockdown?

        
My Pandemic is about sharing people's stories of the past months. We

       
want to build a picture of a wide range of life experiences of people

         
in our county, and we would love to hear from you.

What have been the biggest challenges you have faced during the pandemic? What has helped to give you strength in this difficult

+ and uncertain time?
