

Welcome to Barnwood Circle

Barnwood Trust is a charity. We work alongside disabled people and people with a mental health conditions in Gloucestershire.

Welcome, you are now a member of **Barnwood Circle**.

Barnwood Circle is a membership group. It is part of Barnwood Trust.

Members can:

- tell us your ideas about how to make life better for people living here

- tell us what things we can do to make Barnwood Trust even better

- take part in projects to help Barnwood Trust work in the best way

As a member of **Barnwood Circle** you will get:

- a **joining pack**. This pack tells you all about Barnwood Trust and what being a member means

- a **newsletter** every few months. The newsletter tells you about our work and things that are happening in Gloucestershire

- a chance to join a **meetup** in your area. **Meetups** are when members meet and share ideas.

There is also an online meeting if that is better for you.
