

# PROJECT BRIEF

## AIM: Co-design of parameters for a new Accessibility Fund.

### Key outcome of project

Develop funding criteria for accessibility adaptations for a new fund for organisations which will have the greatest impact for the widest group of people.

### The task:

1. **Explore** what good accessibility looks like
2. **Develop** funding criteria for an accessibility fund
3. **Explore** ways to involve Barnwood Circle in funding decision-making.

### Timeline:

30 May	11 June	26 June	10 July	23 July	7 August
Introduction	What does good accessibility look like?	Scope for applications.	How applicants will evidence their case for funding.	Possible EbLE involvement in funding decisions.	Debrief and celebration
